The Geordie Chapter 320 Members & still growing

Well, here goes, first column as director and I want to take this opportunity to thank the committee and chapter members for all their support over the past 7 months (doesn't time fly).

It's hard to believe that we're more than half way through the riding season already and we've had some great events including Back to Basics, thanks to Dave B, the Harley Cruise, thanks to Julie and Joe, the Easter Egg Run and that old stalwart Morpeth Fair Day, thanks to all the Road Captains and Marshals. However, fear not, as there are plenty of events and activities to look forward to for the rest of the year. Of course the biggie will be the Heart & Soul in September. It gets more and more difficult to top the success of previous years but with more bands, trade stands and a few surprises we're working on, we hope we've done it! This years rally team, for the first time, consists of two committee members and three chapter members so thanks to the new blood for all their time and hard work. I have always wanted to get those chapter members who want to more involved in the club and this is starting to happen with people volunteering their time and services. This is your club, enjoy it! As the chapter grows (we're now past the 300 member mark) we are trying to organise more choice of events and activities to suit just about everybody. However, if anyone had any ideas then please tell us. I know that the monthly meetings can be a bit chaotic at times but all of the committee have post boxes in Just Harleys so please put your views forward.

Finally, as mentioned at last months meeting, we are looking at ways to "give something back" to the members so read your minutes for further details. Don't forget your subs are due and good luck to the members who paid by the end of the July in the draw for the £50 Just Harleys voucher.

Anyway enough from me

Enjoy yourselves and ride safe. **Chris Wearmouth - Geordie Chapter Director**
